Alexis enjoys a day out in the sunshine just as much as all of us, but 'all' of us don't feel the need to take off all of our clothes! "Why not? What have I got to feel shy about? I've got a banging body and who doesn't want to see my pink pussy when I spread my flaps open wide for the whole wide world to see?" Well, over here at Razzle we're more than happy that you've stripped naked, and played with your dildo too, but the readers are the real winners here!

SHARYLN

We've never been fans of custard over here at the Paul Raymond Towers, but when a pussy is covered in it from top to toe we're happy to gobble away! We might add that a bit of whipped cream and some hundreds and thousand sprinkles might just make it the ultimate of all feasts! "Well, I'm not going to clean myself up on my own, so you had better get your tongues ready and start licking away!"

Cate loves to play with her glass dildo! "It's pretty much my favourite past time, other than having a real dick inside me of course. There's something horny about it being made of clear glass and being able to actually see inside my vagina as it goes in and out of me." Our readers would probably think that their faourite past time would be watching themselves going in and out of you! That's probably not going to happen though is it? "You never know!"

Is there a better sight than a dildo hanging out of a set of butt cheeks? Probably not, so we're just going to leave it there with all sorts of dirty thoughts in our minds! "Dirty thoughts hey, well, that dildo is tiny in comparison to some of the things that have been inside me. I'll let your imagination run wild!"

Gurning and pouting into your phone for hours isn't cool, ladies – unless you're naked of course and you send the pictures to yours truly! "I like to take selfies with a big cock stuffed into my mouth and send them to my fella while he's at work!" Phew! We think we're going to have to play with our own selfie stick for a while!

SUZANNAH

visit www.paulraymond.xxx

23-year-old Suzannah's tips for looking so fresh faced and fancy free? She makes sure she's satisfied every day of the week. "I have an orgasm every day, with myself or with a man, but to get the real biggies I need to have my arse given a good ramming. Luckily, I don't know any men who would turn down the option of having anal – it's tighter for you guys, so we're both winners. The feeling of a nice wet load of cum filling up my back passage is amazing for us both!"

Who doesn't like to be whipped into shape every once in a while? Especially when it's Sophia Delane all fetished up and spanking you from behind with a stick! "You do know that this is just an outfit for a photo shoot and I don't actually like treating men like gimps! But, I'm more than happy to have a ball gag in my mouth and getting a good old fashioned spanking every once in a while! You can throw in some handcuffs too if you fancy spicing things up!" There's already a queue around the block waiting to take it in turns!

Gorgeous grabbable Taylor goes behind the scenes of a top-shelf shoot, handling the equipment of legendary massive bastard Dave Lefant (girth, not cock). "One day I'd love to be a photographer too. Think of all the flange I could get to see!" Tina trills. "Girls lick pussy so much better than men. If I took some good snaps of her, I'd insist that my slit got a tongue-lashing off my lucky model!"
